

The Mindset MS-1000 will work well with almost any Windows 95, 98 or NT compatible SCSI adaptor. If you do not currently have a SCSI adaptor for the computer with which you intend to use Mindset, you may wish to refer to the following product suggestions:

## Notebook Use

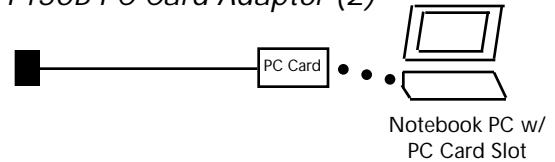

MS-1000  
(Standard SCSI 1  
peripheral connector)

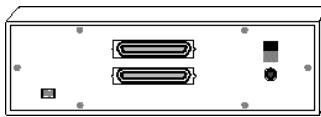

### Gender Bender (1)

### Adaptec SlimSCSI 1450B PC Card Adaptor (2)

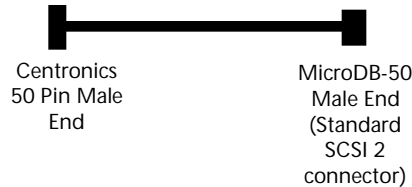

## Desktop (PCI Slot) Use

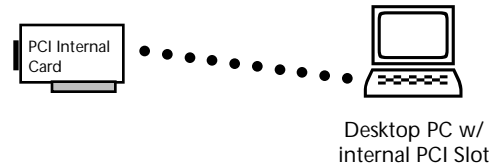

MS-1000  
(Standard SCSI 1  
peripheral connector)

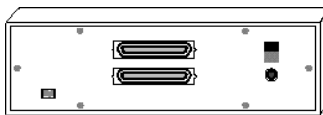

### 3' SCSI 2 Cable (3)

### Adaptec AHA-2910C (4)

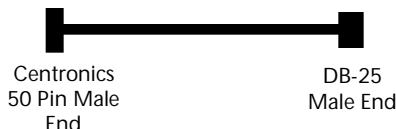

## Desktop (ISA Slot) Use

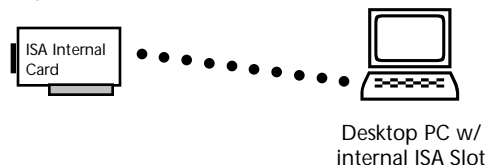

MS-1000  
(Standard SCSI 1  
peripheral connector)

### 6' SCSI 1 Cable (5)

### Adaptec AVA-1505 (6)

A reliable and low-price reseller of these items is Computer Express ([www.cmpexpress.com](http://www.cmpexpress.com)), 800-950-2671.
